This puppy is DM clear and JHC not affected through Paw Print Genetics via the parents. All fees, including sale price, shipping, flight health certificate, carrier and other charges are payable prior to shipment of the animal. Once the dog leaves the sellers hands to board plane, the Seller holds no responsibility for the dog. Puppy is shipped Delta DASH, United Cargo Portland, Oregon or ground shipping. If puppy is being shipped it must have been examined by a qualified licensed veterinary of the State of Oregon and have a health certificate at the buyers expense (\$75). This puppy is healthy as far as seller knows.

A non-refundable deposit of \$400 is needed to reserve any puppy or future puppy paid via personal check or Venmo (@goatgal88). If in the event you are unable to take possession of your puppy for any reason, the deposit can be transferred to another litter within 1 year from date or signing but no refunds will be given. After a year the buyer forfeits the deposit and the right to transfer to another litter. The remainder is due in CASH at time of pick up.

Seller/breeder guarantees puppies are free from communicable diseases for 48 hours upon pick up from buyer. Buyers are required to take their puppy to a vet within that time to establish care. Breeder guarantees against severe or life altering genetic defects detected by the age of 6 months. If a problem with the puppy arises within that time the Breeder agrees to replace the puppy with one of equal value. Under no circumstance shall the buyer keep the affected puppy and it must be returned to the Breeder. If the buyer refuses to return the puppy, no replacement shall be given and buyer releases the seller/breeder from all interest in said puppy. If a puppy is found to have been mistreated in anyway, nutritional, physical, physiological, or denied veterinary care then no replacement shall be given. Buyer understands that the following ailments are not considered serious and therefore are not covered: intestinal parasites including giardia or coccidia, fleas, ticks,

ear mites, or other internal or external parasites or allergies. Noble's hips are scored GOOD through OFA but this does not guarantee the pups will have excellent hips. Buyer understands that seller will not be responsible for veterinary bills or any other expenses incurred in connection with, resulting from, or attributed to the care of this puppy, within the 48 hour period, or at any other time there after. Buyer understands that all future shots or worming are the sole responsibility of the buyer.

It is the buyer's responsibility to maintain the dog at the proper levels of care. A RAW diet is highly suggested but quality kibble such as Orijinn, EVO or Diamond are also good brands of commercial food. The food "Taste of the Wild" and any "Blue Buffalo" food should be avoided at all costs.

If for any reason buyer can not care for the puppy or no longer wants the dog above mentioned, the Breeder should be notified and the Breeder has right to take the dog back. This is to ensure no puppy or dog ever produced by Ravens View Farms ends up in a rescue or a shelter. This guarantee does not cover accidental injury. All appropriate shots for the dogs age have been given or will be, and a record of vaccination history is supplied.

The buyer is NOT to spay or neuter this puppy until they reach a minimum age of 8 months old at which time, if sold on a LIMITED CONTRACT, this puppy must be neutered/spayed. The delay is to aid in the proper maturation of the animals body and organs. Also new research shows that early spay and neutering of both sexes can lead to hip dysplasia. This puppy is not to be bred before 24 months of age and must have OFA hip clearances prior to being bred if sold on a NON-LIMITED CONTRACT. If it is found out that this puppy was bred and produced puppies and was sold with a LIMITED registration then a monetary value worth half the total sale price for EACH LITTER PRODUCED must be paid to Breeder. If a puppy is purchased under a LIMITED registration and it comes to pass that the dog shows excellent characteristics and receives hip and elbow clearances and the buyer wishes to breed, contact with the seller/breeder must be made and the possibility of reversing the limited designation of registration can be discussed for a set fee of an additional \$1000.
